

June 2007 Newsletter

Mineralogical Society of Western Australia Inc Newsletter

Editorial

This Newsletter is only as good as the contributions made for it. I invite everyone to submit articles, these can be as short as one or two sentences or as long as a couple of pages. Unfortunately, this month there has been a shortage of articles.

June Meeting 7:30 pm Wednesday June 6th at the WA Lapidary Club rooms
31 Gladstone Street Rivervale.

Guest speaker Susan Stocklmayer will talk on "Namibian Geology – a tourists view".

Field Trips

No extra details have been received, details will be sent when they are received.

Soklich's Meteorite Weekend April

Associate Professor Alex Bevan gave an interesting talk on meteorites. There was a very good display of meteorites as well as some for sale ranging from \$2 to over \$1000.

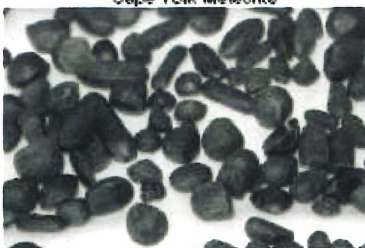

Mundrabilla Meteorite polished buttend

Cape York Meteorite

Imilac

Australite - Goldfields Region

A few examples of meteorites on display. More examples are in the attachment.
