

| Year        | No.       | Theme  | Host Society | Location                               |
|-------------|-----------|--|--------------|--|
| 1978        | 1         | Zeolite Occurrences in South Eastern Australia           | VIC          | Melbourne Town House, Carlton          |
| 1979        | 2         | Broken Hill  | NSW          | Koala Motor Inn, Sydney                |
| 1980        | 3         | Gold   | VIC          | Melbourne Town House, Carlton          |
| 1981        | 4         | Minerals of the Granite Areas of Eastern Australia       | NSW          | The Australian Museum, Sydney          |
| 1982        | 5         | Copper Deposits in Eastern Australia                     | VIC          | Melbourne Town House, Carlton          |
| 1983        | 6         | Phosphate Occurrences in Australia                       | SA           | Regal Park Motor Inn, Adelaide         |
| 1984        | 7         | Australian Gem Minerals                                  | NSW          | The Australian Museum, Sydney          |
| 1985        | 8         | Mineral of Tasmania                                      | VIC          | Downtown Motel, Carlton                |
| 1986        | 9         | 150 Years of Mineralogy in Australia                     | SA           | Regal Park Motor Inn, North Adelaide   |
| 1987        | 10        | Minerals and Metamorphism                                | VIC          | Univ. of Melbourne, Geology Dept       |
| 1988        | 11        | Notable Mineral Localities in Australia                  | NSW          | YWCA Conference Rooms, Sydney          |
| 1989        | 12        | Uranium and Rare Earth Minerals                          | SA           | Regal Park Motor Inn, North Adelaide   |
| 1990        | 13        | Minerals of the Oxidised Zone                            | VIC          | Museum of Victoria                     |
| 1991        | 14        | Mineral Collections and Collecting in Australia          | NSW          | Geological and Mining Museum, Sydney   |
| 1992        | 15        | Mineral Locations in Eastern Australia                   | QLD          | Queensland Museum, Brisbane            |
| 1993        | 16        | The Mineralogy of Lead                                   | SA           | Regal Park Motor Inn, North Adelaide   |
| 1994        | 17        | Carbonate Minerals                                       | VIC          | Museum of Victoria                     |
| 1995        | 18        | Tasmanian Minerals & Beyond                              | TAS          | Westside Hotel, Hobart                 |
| 1996        | 19        | Notable Australian Mineral Occurrences                   | NSW          | University of Western Sydney, Westmead |
| 1997        | 20        | Speaker's Choice   | QLD          | Queensland Museum, Brisbane            |
| 1998        | 21        | Formation and Mineralogy of Australian Mineral Deposits  | SA           | Royal Society Rooms, Adelaide          |
| 1999        | 22        | Type Localities of Australia                             | VIC          | GAA Rooms, Melbourne                   |
| 2000        | 23        | Australia's Greatest Mineral Deposits                    | NSW          | Musician Clubs, Broken Hill            |
| 2001        | 24        | 2001 - A Mineral Odyssey                                 | TAS          | Rydges Hotel, Hobart                   |
| 2002        | 25        | My Favourite Subject relating to Mineralogy in Australia | QLD          | Queensland Museum, Brisbane            |
| 2003        | 26        | Uranium and Rare Earth Minerals                          | SA           | Royal Society Rooms, Adelaide          |
| 2004        | 27        | Pegmatites and their minerals                            | VIC          | Royal Society of Victoria, Melbourne   |
| <b>2005</b> | <b>28</b> | <b>All that glitters is not Gold</b>                     | <b>WA</b>    | <b>Perth</b>                           |
| 2006        | 29        | Collecting, Collectors and Collections                   | NSW          | Sydney                                 |
| 2007        | 30        | Volcanic Minerals and their mineralogy                   | NZ           | Waihi Beach                            |
| 2008        | 31        | Copper Mines and Minerals                                | TAS          | Gaiety Theatre, Zeehan                 |
| 2009        | 32        | Mineral, Mines & Collectors                              | QLD          | Queensland Museum, Brisbane            |
| 2010        | 33        | Australian Collectors and Collecting                     | SA           | South Australian Museum                |
| 2011        | 34        | Mineralogy into the Future                               | VC           | Gemmology House, Melbourne             |
| <b>2012</b> | <b>35</b> | <b>Rare Earth Minerals</b>                               | <b>WA</b>    | <b>The State Library of WA, Perth</b>  |
| 2013        | 36        | The Wonderful World of Minerals                          | NSW          | Rhyde-Eastwood Leagues Club, Sydney    |
